Project Management

PROJECTS

RANCID TOMATILLOS

GitHub Repo

A paired project built in five days which pulls movie data from a RESTful API to display a dashboard of movies. Implemented React Router for multi-page UI functionality.

Tech: React, JavaScript, Cypress, CSS, HTML5

TRAVEL TRACKER

GitHub Repo

A solo project built in five days which allows users to get or post trip data via an external API endpoint.

Tech: JavaScript, CSS, HTML5, RESTful API

FIT-LIT

GitHub Repo

A group project built over the span of two weeks which allows users to view their steps, hydration and sleep data in a dashboard format. Overcame major disruptions to deliver a timely filed project.

Tech: JavaScript, SASS, HTML5, Mocha/Chai, Fetch API

PROFESSIONAL EXPERIENCE

BKD CPAs & Advisors - Tax Manager, CPA

Sep 2015 - July 2021

- Reviewed federal and multi-state tax returns in compliance with US federal and state law.
- Supervised and organized a team of junior associates to resolve problems and achieve reporting deadlines.
- Researched and reported on trends and developments concerning complex domestic and international tax issues.
